## WILSON Hot Blast HEATER

For Wood

Feed the fire half as often—  
half as much at a time—the down  
draft prevents waste of heat up  
the chimney—forces back all  
gases into the fire, where they  
are burned.

Because the Wilson is air-tight,  
fire can be held for 36 hours—  
also perfect combustion is  
made possible.  
We sell the Wilson Heater  
for wood or coal.

## MYSTERY IS UNSOLVED BLIND EYE FOR REFORM

In the Case of Norman of Troupe,  
Killed Near Tulsa, Okla.—Two  
Arrests Made.

(Herald Special.)  
Tulsa, Okla., Nov. 3.—It developed  
at the autopsy over the body of I. B.  
Norman, a wealthy young farmer of  
Troupe, Texas, who was found dead  
here yesterday, that he was shot twice  
in the head and stabbed in the fore-  
head. Officers are convinced that  
the young man was murdered, but  
they have arrived at no solution of  
the mystery. Frank Welland and Aud-  
ley Baird are being held in connection  
with the case. Leona Baird, with  
whom Norman was going, is a sister  
of Audley Baird. J. M. Farley is also  
being kept under close surveillance.  
The young woman lived at Farley's  
home. No money or other valuables  
were found on Norman's body.

## OFFERED NO TESTIMONY

Defense in the Manley Case at Dallas  
Created Surprise When They De-  
clined to Offer Witnesses.

(Herald Special.)  
Dallas, Texas, Nov. 3.—Counsel for  
Sergeant J. D. Manley of the Dallas  
militia, who is charged with killing  
Louis R. Eichtenstein on the occasion  
of the visit of President Taft to this  
city, created a surprise this morning  
at the preliminary trial of the defend-  
ant by announcing that the defense  
would offer no testimony. The an-  
nouncement came at the close of the  
recital of the story of the killing by  
the state's witnesses. Justice of the  
Peace Erley ordered Manley held  
without bail. It is expected that the  
grand jury will make a return on the  
case.

per, five hundred tons of cotton seed  
meal and forty-two thousand and  
eight hundred bushels of corn. The  
shipment is valued at \$1,745,000.

## ANOTHER OIL BOOM ON

Oil Found at Depth of One Hundred  
and Fifty Feet on Farm Near  
Austin—Oil Men Interested.

Austin, Texas, Nov. 3.—A valuable  
oil flow was brought in today at a  
depth of one hundred and fifty feet  
on a farm near Springdale, five miles  
north of Austin. The discovery has  
caused a rush for leases on adjacent  
lands. John G. Hornsby, land and tax  
commissioner for the Kirby Oil com-  
pany, and R. L. Brooks of Beaumont  
and others have leased one thousand  
acres in the territory.

### Shot By Officer.

McAlester, Okla., Nov. 3.—John  
Jay, a butcher, was shot and serious-  
ly wounded late last night by Deputy  
Sheriff Haynes while Haynes was try-  
ing to arrest Jay without a warrant.  
It is thought the wounded man will  
recover. The officer charged Jay  
with being involved in the theft of  
cattle. Other arrests will likely fol-  
low.

### Higher Court Decisions.

Austin, Texas, Nov. 3.—The court  
of criminal appeals today affirmed the  
following cases: B. L. Barber, Gray-  
son county; Wilson Jerne, Smith;  
Pearl Goode, McLennan.  
Reversed and remanded: R. E. Har-  
rison et al, Brown county.

lera, El Paso; Warren, Francis and  
Emory, Smith; Alonzo Cleveland, Tom  
Green.

### Japan Mourns Prince Ito.

Tokio, Nov. 3.—Out of respect to  
the memory of Prince Ito, Japan's  
most eminent statesman, who met  
death at the hands of an assassin last  
week, the emperor's birthday today  
was by common consent allowed to  
pass without the customary celebra-  
tions and festivities.

Reform and Fusion Parties Defeated  
By Decisive Majorities In New  
York and Elsewhere.

The elections held Tuesday show  
that Rhode Island and Massachusetts  
have elected republican governors.

New York City has elected the dem-  
ocratic candidate, Judge William J.  
Gaynor, to the office of mayor, while  
in Philadelphia the efforts of the re-  
formers to break the republican orga-  
nization have failed.

In New Jersey the republicans held  
their own everywhere.

Tom L. Johnson, democrat, has been  
defeated as mayor of Cleveland, Ohio.

The latest returns from San Fran-  
cisco indicate that Francis J. Heney,  
democrat, has been defeated for dis-  
trict attorney.

Virginia elected a democratic gov-  
ernor.

In Maryland the paramount issue  
was the so-called disfranchisement  
amendment, designed to eliminate the  
negro as a political factor. The re-  
turns of the state came in slowly and  
the result is still uncertain, but the  
indications are that the amendment  
has been defeated.

In Indiana the republicans scored  
several important victories, particu-  
larly in Indianapolis, where Samuel L.  
Shank, republican, was elected mayor,  
and the entire republican ticket re-  
elected.

The republicans carried Massachu-  
setts by the narrowest margin in the  
history of the Bay State for nearly a  
quarter of a century. The entire  
party ticket was re-elected, but Gov.  
Eben Draper's plurality was cut down  
from 60,000 last year to 8,000.

It is apparent that Gov. A. J. Fu-  
ther, republican, has been re-elected  
over Olney Arnold, democrat, in  
Rhode Island by several thousand ma-  
jority, and that the complexion of the  
legislature will remain republican.

The democratic victory in Virginia  
has been secured in the office of

governor, and one for his state.

Many elected another mayor of  
Greater New York in the person of  
Judge Gaynor, democrat, but the or-  
ganization lost its grip on the city fi-  
nances. The republican-fusion forces  
will control absolutely the Board of  
Estimates. In addition the republican-  
fusionists elected Charles S. Whitman  
district attorney of New York county,  
and practically all other candidates  
on the city and county tickets.

In Pennsylvania the chief interest  
centered in the battle waged in Phila-  
delphia, where the reformers endeav-  
ored in vain to break the power of  
the local republican organization. Samuel  
P. Rotan was elected district  
attorney on the republican ticket by  
a surprisingly large majority. On the  
state ticket the republicans elected  
the state treasurer, the auditor gen-  
eral and a judge of the supreme  
court.

In Cleveland, Tom L. Johnson, dem-  
ocratic mayor for four terms, was de-  
feated for a fifth term by Herman C.  
Baehr. In conceding his defeat Mr.  
Johnson, who advocated a system of  
equal taxation, announced that he  
would be a candidate for mayor two  
years hence.

New Jersey elected eight members  
of the state senate and a full house of  
sixty members of the assembly. The  
republicans will again control both  
houses.

New York state elected an assembly  
that will show a republican majority  
of about thirty-eight.

## SECOND DEATH SENTENCE WOUND IS SERIOUS ONE

endon This Morning.

### (Herald Special.)

Clarendon, Texas, Nov. 3.—G. R.  
Miller was found guilty of the mur-  
der of Floyd Autry by a jury in the  
district court here this morning. The  
jury found him guilty after being out  
fifteen hours. He was immediately  
given a death sentence. Miller is  
charged with the killing of an un-  
known man in a freight car of the  
Fort Worth & Denver railroad near  
the state line, and he was recently  
convicted at Memphis, Texas, of the  
murder of his uncle and was given a  
death sentence in this case also. Mil-  
ler pleaded guilty to both charges in  
open court.

Mrs. Fred Dawson of Ardmore Shot  
By Her Husband, Who Mistook  
Her For a Burglar.

### (Herald Special.)

Ardmore, Okla., Nov. 3.—Mrs. Fred  
Dawson is in a precarious condition  
this morning as the result of a bullet  
wound received last night when her  
husband mistook her for a burglar  
and shot her as she was entering a  
window of their home. Mrs. Dawson  
had been spending the evening with  
some neighbors and not knowing that  
her husband was at home attempted  
to enter the house through a window.  
The husband fired one shot, which  
struck his wife over the heart.
